**REPLY TO NOTICE OF DRAWING INCONSISTENCY WITH  
SPECIFICATION**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

This is in response to the Notice of Drawing Inconsistency with Specification  
mailed July 29, 2004.

The Notice indicates that Figures 12 and 13 are listed in the Brief Description of  
the Drawings in the specification but not contained in the Drawings. Applicants note that  
the Brief Description (on pages 4 to 5 of the application) only makes reference to Figures  
1-11, which were properly submitted to the Office. After reviewing the file, it is  
applicants' belief that the specification referenced in the Notice is not that of the present  
application, but of a co-pending application submitted to the Office as part of an  
Information Disclosure Statement (IDS).

If there are any questions concerning this paper or the application in general, the Office is respectfully requested to telephone the undersigned.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Jonathan D. Baskin". The signature is fluid and cursive, with the first name "Jonathan" being more prominent and the last name "Baskin" following in a similar style.
